**AMENDMENT Seven
TO FA-05-16046-00**

This Contract Amendment is made and entered by and between the State of Tennessee, Board of Probation and Parole, hereinafter referred to as the "State" and Aegis Sciences Corporation, hereinafter referred to as the "Contractor." It is mutually understood and agreed by and between said, undersigned contracting parties that the subject Contract is hereby amended as follows:

1. The text of Contract Section B is deleted in its entirety and replaced with the following:
 - B.1. This Contract shall be effective for the period commencing on July 1, 2004 and ending on Sept. 30, 2009. The State shall have no obligation for services rendered by the Contractor which are not performed within the specified period.

2. The text of Contract Section C.1. is deleted in its entirety and replaced with the following:
 - C.1. Maximum Liability. In no event shall the maximum liability of the State under this Contract exceed One Million, One Hundred Eighty-two Thousand Twenty-four Dollars (\$1,182,024.00). The payment rates in Section C.3 shall constitute the entire compensation due the Contractor for the Service and all of the Contractor's obligations hereunder regardless of the difficulty, materials or equipment required. The payment rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs incurred or to be incurred by the Contractor.

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the Contractor and does not guarantee payment of any such funds to the Contractor under this Contract unless the State requests work and the Contractor performs said work. In which case, the Contractor shall be paid in accordance with the payment rates detailed in Section C.3. The State is under no obligation to request work from the Contractor in any specific dollar amounts or to request any work at all from the Contractor during any period of this Contract.

3. The following provision is added as Contract Section E14:
 - E.14. Voluntary Buyout Program. The Contractor acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
 - a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest.
 - b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Contractor understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State contractor would not be appropriate, and in such cases the State may refuse Contractor

personnel. Inasmuch, it shall be the responsibility of the State to review Contractor personnel to identify any such issues.

- c. With reference to either subsection a. or b. above, a contractor may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at: www.state.tn.us/finance/rds/ocr/waiver.html. The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.
4. The following provision is added as Section E.15:
- E.15. Federal Economic Stimulus Funding. This Contract requires the Contractor to provide products and/or services that are funded in whole or in part under the American Recovery and Reinvestment Act of 2009, Public Law 111-5, (Recovery Act). The Contractor is responsible for ensuring that all applicable requirements, including but not limited to those set forth herein, of the Recovery Act are met and that the Contractor provides information to the State as required.

The Contractor (and any subcontractor) shall comply with the following:

- a. Federal Grant Award Documents, as applicable.
- b. Executive Office of the President, Office of Management and Budget (OMB) Guidelines as posted at www.whitehouse.gov/omb/recovery_default/, as well as OMB Circulars, including but not limited to A-102 and A-133 as posted at www.whitehouse.gov/omb/financial_offm_circulars/.
- c. Office of Tennessee Recovery Act Management Directives (posted on the Internet at www.tnrecovery.gov).
- d. The Recovery Act, including but not limited to the following sections of that Act:
- (1) Section 1604 – Disallowable Use. No funds pursuant to this Contract may be used for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.
 - (2) Section 1512 – Reporting and Registration Requirements. The Contractor must report on use of Recovery Act funds provided through this Contract. Information from these reports will be made available to the public.
 - (3) Section 1553 – Recovery Act Whistleblower Protections. An employee of any non-Federal employer receiving covered funds under the Recovery Act may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing, including a disclosure made in the ordinary course of an employee's duties, to the Accountability and Transparency Board, an inspector general, the Comptroller General, a member of Congress, a State or Federal regulatory or law enforcement agency, a person with supervisory authority over the employee (or other person working for the employer who has the authority to investigate, discover or terminate misconduct), a court or grand jury, the head of a Federal agency, or their representatives, information that the employee believes is evidence of one or more of the following related to the implementation or use of covered funds:
 - i. gross mismanagement,
 - ii. gross waste,
 - iii. substantial and specific danger to public health or safety,

- iv. abuse of authority, or
- v. violation of law, rule, or regulation (including those pertaining to the competition for or negotiation of a Contract).

Non-enforceability of Certain Provisions Waiving Rights and Remedies or Requiring Arbitration: Except as provided in a collective bargaining agreement, the rights and remedies provided to aggrieved employees by this section may not be waived by any agreement, policy, form, or condition of employment, including any predispute arbitration agreement. No predispute arbitration agreement shall be valid or enforceable if it requires arbitration of a dispute arising out of this section.

Requirement to Post Notice of Rights and Remedies: The Contractor and any subcontractor shall post notice of the rights and remedies as required under Section 1553. (Refer to Section 1553 of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5 located at www.recovery.gov, for specific requirements of this section and prescribed language for the notices.)

- (4) **Section 902 – Access Of Government Accountability Office.** The Contractor shall provide that the Comptroller General and his representatives are authorized:
 - i. to examine any records of the Contractor or any of its subcontractors, that directly pertain to, and involve transactions relating to, this Contract or a subcontract; and
 - ii. to interview any officer or employee of the Contractor or any of its subcontractors regarding such transactions.
- (5) **Section 1514 – Inspector General Reviews.** Any inspector general of a federal department or executive agency has the authority to review, as appropriate, any concerns raised by the public about specific investments using such funds made available in the Recovery Act. In addition, the findings of such reviews, along with any audits conducted by any inspector general of funds made available in the Recovery Act, shall be posted on the inspector general's website and linked to the website established by Recovery Act Section 1526, except that portions of reports may be redacted to the extent the portions would disclose information that is protected from public disclosure under sections 552 and 552a of title 5, United States Code.
- (6) **Section 1515 – Access of Offices of Inspector General to Certain Records and Employers.** With respect to this Contract, any representative of an appropriate inspector general appointed under section 3 or 8G of the Inspector General Act of 1978 (5 U.S.C. App.), is authorized:
 - i. to examine any records, of the Contractor or any of its subcontractors, that pertain to and involve transactions relating or pursuant to this Contract; and
 - ii. to interview any officer or employee of the Contractor or any subcontractors regarding such transactions.
- (7) **Section 1606 – Wage Rate Requirements.** All laborers and mechanics employed by pursuant to this Contract shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. All rulings and interpretations of the Davis-Bacon Act and related acts contained in 29 CFR 1, 3, and 5 are herein incorporated by reference.

For purposes of this Contract, laborer or mechanic includes at least those

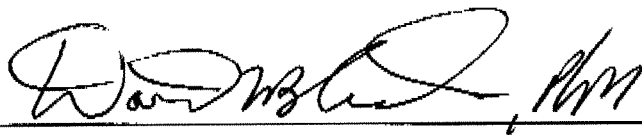

workers whose duties are manual or physical in nature (including those workers who use tools or who are performing the work of a trade), as distinguished from mental or managerial. The term laborer or mechanic includes apprentices, trainees, helpers, and, in the case of contracts subject to the Contract Work Hours and Safety Standards Act, watchmen or guards.

None of the funds provided by this Contract may be used for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States.
- e. The Contractor agrees to comply with any modifications or additional requirements that may be imposed by law and future guidance and clarifications of Recovery Act requirements.
- f. If the Contractor enters into one or more subcontracts for any of the services performed under this Contract, each subcontract shall contain provisions specifically imposing on the subcontractor all requirements set forth in this Contract Section E.#., "Federal Economic Stimulus Funding."

The revisions set forth herein shall be effective July 1, 2009. All other terms and conditions not expressly amended herein shall remain in full force and effect.

TO FA-05-16046-00**

This Contract Amendment is made and entered by and between the State of Tennessee, Board of Probation and Parole, hereinafter referred to as the "State" and Aegis Sciences Corporation, hereinafter referred to as the "Contractor." It is mutually understood and agreed by and between said, undersigned contracting parties that the subject Contract is hereby amended as follows:

The text of Contract Section C.1. is deleted in its entirety and replaced with the following:

- C.1 Maximum Liability. In no event shall the maximum liability of the State under this Contract exceed One Million, One Hundred Thirty-Two Thousand, Twenty-Four Dollars (\$1,132,024.00). The payment rates in Section C.3 shall constitute the entire compensation due the Contractor for the Service and all of the Contractor's obligations hereunder regardless of the difficulty, materials or equipment required. The payment rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs incurred or to be incurred by the Contractor.

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the Contractor and does not guarantee payment of any such funds to the Contractor under this Contract unless the State requests work and the Contractor performs said work. In which case, the Contractor shall be paid in accordance with the payment rates detailed in Section C.3. The State is under no obligation to request work from the Contractor in any specific dollar amounts or to request any work at all from the Contractor during any period of this Contract.

The following provision is added as Contract Section E.13

- E.13. Prohibition of Illegal Immigrants. The requirements of Public Acts of 2006, Chapter Number 878, of the state of Tennessee, addressing the use of illegal immigrants in the performance of any Contract to supply goods or services to the state of Tennessee, shall be a material provision of this Contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Contract.
- a. The Contractor hereby attests, certifies, warrants, and assures that the Contractor shall not knowingly utilize the services of an illegal immigrant in the performance of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this Contract. The Contractor shall reaffirm this attestation, in writing, by submitting to the State a completed and signed copy of the document at Attachment A, hereto, semi-annually during the period of this Contract. Such attestations shall be maintained by the Contractor and made available to state officials upon request.
 - b. Prior to the use of any subcontractor in the performance of this Contract, and semi-annually thereafter, during the period of this Contract, the Contractor shall obtain and retain a current, written attestation that the subcontractor shall not knowingly utilize the services of an illegal immigrant to perform work relative to this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this Contract. The text of Contract Section B.1. is deleted in its entirety and replaced with the following:

- B.1 This Contract shall be effective for the period commencing on July 1, 2004 and ending on June 30, 2009. The State shall have no obligation for services rendered by the Contractor which are not performed within the specified period.

The text of Contract Section C.1. is deleted in its entirety and replaced with the following:

- C.1 Maximum Liability. In no event shall the maximum liability of the State under this Contract exceed One Million, Ninety-Thousand Dollars (\$1,090,000.00). The payment rates in Section C.3 shall constitute the entire compensation due the Contractor for the Service and all of the Contractor's obligations hereunder regardless of the difficulty, materials or equipment required. The payment rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs incurred or to be incurred by the Contractor.

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the Contractor and does not guarantee payment of any such funds to the Contractor under this Contract unless the State requests work and the Contractor performs said work. In which case, the Contractor shall be paid in accordance with the payment rates detailed in Section C.3. The State is under no obligation to request work from the Contractor in any specific dollar amounts or to request any work at all from the Contractor during any period of this Contract.

The revisions set forth herein shall be effective July 1, 2008. All other terms and conditions not expressly amended herein shall remain in full force and effect.

The Contractor will be deemed to have satisfied its obligations under this section by exercising the same level of care to preserve the confidentiality of the State's information as the Contractor exercises to protect its own confidential information so long as such standard of care does not violate the applicable provisions of the first paragraph of this section.

The Contractor's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Contractor of this Contract; previously possessed by the Contractor without written obligations to the State to protect it; acquired by the Contractor without written restrictions against disclosure from a third party which, to the Contractor's knowledge, is free to disclose the information; independently developed by the Contractor without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure.

Accordingly and notwithstanding any provision of this Contract to the contrary, the Contractor agrees that if it is later determined that the true nature of the working relationship between the Contractor and the State under this Contract is that of "employee/employer" and not that of an independent contractor, the Contractor may be required to repay to the Tennessee Consolidated Retirement System the amount of retirement benefits the Contractor received from the Retirement System during the period of this Contract.
- E.11. Debarment and Suspension. The Contractor certifies, to the best of its knowledge and belief, that it and its principals:
